

**GOOD DESIGN  
AWARD 2016**  
(in Japan)

The Good Design Award is Japan's only comprehensive design evaluation and recommendation initiative, originating with the "Good Design Products Selection System" founded in 1957.

It is now a global design award with participation from numerous Japanese and international companies and organizations. The "G Mark", the symbol of the Good Design Award, is known widely as a symbol of excellent design.

## Draft Prevention Panel

Keep maximum comfort with minimal draft:  
New FDT control flaps with more flexibility.

Draft Prevention Panel Operating Image

***New Generation!***

Draft Prevention Panel provides a comfortable airflow without any draft feeling. Whether cooling or heating a room, the remote control can be used to instantly suppress any warm or cool drafts. This accurately assists how air flow is directed out of the indoor unit.
